DID YOU KNOW ...

Pomona College generates almost 650 tons of landfill waste each year

... that's almost

two tons every day!

Please help us meet our waste reduction goals and cut landfill hauling costs!

COMPOST

The Farm or campus bins

Produce and vegan food scraps

Green waste (flowers, leaves, etc.)

Thin paper scraps

(tissue, napkins, paper towels)

Other compostable items:

(Challah for Hunger bags, dining hall disposable containers)

Compostable plastic diningware requires chipping at the Farm
