

Please read the following sheet regarding the submissions of supplementary materials to the Office of Admissions. It is your responsibility to follow the directions for submitting materials accurately. You must use Pomona College's Supplemental Forms located on our Admissions Website (links provided below).

All materials and the supplement form must be received by the Office of Admissions by the appropriate application deadline in order to be considered for review by the faculty. Also, please make sure your name and the name of your high school appear on the supplementary materials.

APPLICATION DEADLINES: EARLY DECISION 1: NOV. 1 EARLY DECISION 2: DEC. 28 REGULAR DECISION: JAN. 2

The Office of Admissions welcomes supplementary materials from students who have had significant participation in the arts, sciences or mathematics (that exceeds coursework and course requirements) and athletics if they wish to emphasize their accomplishments in these areas as part of their application for admission. As the College seeks to enroll a student body with a diversity of talents and interests, submitting supplementary materials can help the Admissions staff better understand how you might contribute in these areas. Please note that submitting supplementary materials is not required, but the Admissions staff is interested in learning as much about each applicant's extracurricular participation and achievements in these areas as possible.

In order to submit supplementary materials, please make sure you follow the instructions provided in the following paragraphs and on the required supplement forms *exactly as requested to ensure your supplementary materials will be considered with your application for admission*. **Please note we ask for two copies of your forms, but we only require one copy of your submitted materials (i.e., CD, slides, portfolio, resume, etc.).**

SUPPLEMENTARY ARTS MATERIALS

If you have made a substantial commitment of time and energy to one or more of the arts and have significant accomplishments AND if you plan to continue this commitment in college, you are encouraged to submit supplementary materials with your application. These materials will be reviewed by Pomona faculty in the appropriate department. Materials are accepted from students participating in the visual arts, dance, theatre and music. **All art submissions must be accompanied by the *Pomona College Arts Supplement form in duplicate*; the form can be completed and downloaded from the Admissions Website at:**

<http://www.pomona.edu/admissions/application-forms/arts-supplement.pdf>

Specific instructions from the Pomona Art, Music and Theatre and Dance Departments for the submission of supplementary materials are included on the *Pomona College Arts Supplement* form and must be followed to ensure your work is reviewed.

SUPPLEMENTARY SCIENCE MATERIALS

If you have made a substantial commitment of time and energy to the sciences or mathematics and wish to emphasize your accomplishments and/or work in these fields, you are encouraged to submit supplementary materials with your application. These materials will be reviewed by Pomona faculty in the appropriate department. Materials are accepted from students with research experience in biology, chemistry, computer science, environmental studies, geology, mathematics, molecular biology, physics, psychology or other science-related disciplines. **All science submissions must be accompanied by the *Pomona College Science Supplement form in duplicate*; the form can be completed and downloaded from the Admissions Website at:**

<http://www.pomona.edu/admissions/application-forms/science-supplement.pdf>

Specific instructions from the Pomona science and mathematics departments for the submission of supplementary materials are included on the *Pomona College Science Supplement* form and must be followed to ensure your submission will be reviewed.

SUPPLEMENTARY ATHLETICS MATERIALS

Pomona College offers Division III varsity athletics in the following sports: men's baseball, men's and women's basketball, men's and women's track and cross country, men's football, men's and women's golf, women's lacrosse, men's and women's soccer, women's softball, men's and women's swimming and diving, men's and women's tennis, women's volleyball and men's and women's water polo. **If you anticipate participating in varsity athletics at Pomona, you are encouraged to submit the *Pomona College Athletics Supplement form in duplicate*; the form can be completed and downloaded from the Admissions Website at:**

<http://www.pomona.edu/admissions/application-forms/athletics-supplement.pdf>

Students submitting athletic information may also wish to contact coaching staff directly at (909) 621-8016.
