**Once we have received this completed form and your electronic FAFSA results from the Department of Education, our office will certify your loan electronically.** If you completed a master promissory note last year, your lender will continue using it. If you have not completed a master promissory note, your lender will send one to your home address. Once you complete the master promissory note and return it to your lender, your loan will be processed. When the proceeds of your loan are received via an electronic funds transfer (EFT), you will receive a notice of its arrival. If your lender does not disburse funds via EFT, you will be notified when your loan check(s) arrives and informed by the Business Office of the appropriate procedures to credit your Pomona account.
