Claremont Colleges Book Funding Request

Pomona College provides books and supplies to all Pomona College students who are enrolled in classes at the college through the Access to Course Essentials (ACE) program. Currently the ACE program does not provide books and supplies for Pomona College students who are taking classes at the other Claremont Colleges. Pomona College students who are receiving need-based financial aid from the college can submit a request to receive additional financial aid funding to cover the cost of books and supplies for courses taken at one of the other Claremont Colleges. To be eligible for this funding, students must meet the following criteria:

1. Students must be enrolled full-time and in good academic standing.
2. Students must have a complete application for financial aid for the current year, including any additional documents that our office has requested.
3. Students must have been packaged with financial aid that includes an institutional, need-based grant or scholarship from Pomona College for the current academic year.

To apply for book funding, please complete the application below and provide the following information and documents:

- **A list of all courses you are taking this semester at the other Claremont Colleges**
- **The estimated cost of books for each course**
- **Proof of your current enrollment showing each course listed on your application**
- **A copy of the syllabus for each course showing the required books**

If you are approved for book funding, the award will be added to your financial aid package and credited to your Student Account. To receive a refund from Student Accounts, you must have settled your account balance completely and follow the instructions provided on the Student Accounts website.

Note: If you drop or withdraw from the class(s), the additional funding will be removed from your financial aid package, and you will be required to re-pay the amount that you received to Student Accounts.

To request book funding, please provide the information below and return this form to our office.

Student Information:

First Name

Last Name
