Work-Study Replacement Request

The Office of Financial Aid is committed to supporting our undocumented and DACA-mented students. If you are ineligible to work or if your work eligibility has expired, you are encouraged to apply for funding to help cover the expenses that earnings from campus employment typically defray.

To apply for funding:

1. Complete this form and submit it to the Office of Financial Aid.
2. *For DACA students whose status has expired,* attach a copy of your Employment Authorization Document (EAD, Form I-766) or DACA approval notice (Form I-797)

After your application has been reviewed, you will be notified of the funding you are eligible to receive along with an updated Offer of Financial Aid.

If you have questions, contact the Office of Financial Aid at (909) 621-8205, or financial.aid@pomona.edu, or your financial aid counselor. Your counselor appears at the bottom of the home page in FINAID47, the financial aid portal.
