CURTAIN RAISERS of The Claremont Colleges offers Summer Theatre/Dance *Scholarships*

The Curtain Raisers of The Claremont Colleges is a non-profit organization that supports theatre and dance at the colleges and in the community. Curtain Raisers promotes attendance at performances and also provides historical theatre programs at El Roble Intermediate School each year.

**The Curtain Raisers Summer Theatre and Dance Scholarship Fund** was established to assist students active in the Five College Theatre and Dance Dept. who wish to take part in summer theatre/dance activities, but who need financial assistance to participate. The *modest* funding for the scholarships is raised each year by member contributions.

Awards will be made based on the application, interview, financial need and acceptance into a recognized summer theatre or dance program. The Scholarship Committee will consist of members of the Curtain Raisers Board and of the Theatre/Dance Faculty. *Interviews will take place on Friday, April 22, 2016.*

Students receiving scholarships will be asked to give an oral presentation of their summer experience to the Curtain Raisers in the fall after their return to the Colleges.

**Guidelines**

1. The applicant must be a student who will be returning to one of The Claremont Colleges next year, to bring his/her experience back to the college community.
2. Preference will be given to sophomores and juniors, and to students who have not previously received a scholarship from Curtain Raisers of the Claremont Colleges.
3. Other considerations shall include financial need as reflected in the student’s college aid award and the student’s positive contributions to the Department of Theatre and Dance program.
4. The applicant must have received a bona fide offer to a summer theatre or dance program which will contribute to the professional development of the student. The opportunity must be with a reputable theatre/dance organization.

Students should receive a job offer before applying for the scholarship.
