The committee consults with the Dean of the College and/or his or her designate in the preparation of election slates for elected faculty committees. It also advises the Dean and/or his or her designate on recommendations to the President for appointments to all other committees of the faculty. The Executive Committee, in its own work, pays special attention to the broader policies, especially institutional policies, that are of interest and concern to all of the faculty, bringing proposed changes (and new policies) to the full faculty for approval. The Executive Committee also assesses faculty budget priorities and appoints faculty on the following committees of the Board of Trustees: Educational Quality, Facilities and Environment, Advancement, Honorary Degrees, and Student Affairs. The chair of the Executive Committee normally serves as a member of the Intercollegiate Faculty Council.
By action of the faculty (5/10/07), the Executive Committee consists of six faculty with the rank of assistant professor or above. Each division elects its chair, who serves a two-year term as one of the division’s representatives on the Executive Committee, the second division representative being elected in accordance with the procedure in the Faculty Handbook. The committee selects its own chair. Elected to two-year staggered terms, the members of the committee are nominated by the divisions and elected by the faculty as a whole; for each office each division will choose at least two nominees. No more than one member of any particular department shall serve on the Executive Committee at the same time. The election is held at the March meeting of the faculty.

Executive Committee members who take leave for one semester must be replaced for the semester by the nominee receiving the second largest number of votes in the original election. Members who take leave for a full year must resign from the committee; their unexpired terms must be filled by special election from a slate of at least two nominees from the division in question.

Faculty Grievance Committee:
To provide by a process of peer review the full opportunity for just settlement of faculty grievances concerning complaints of infringement of academic freedom or complaints of denial of full and fair consideration in decisions on reappointment, promotion, tenure and dismissal, this committee was established in 2000. This committee consists of five faculty members at the rank of associate professor or professor, at least two of whom are at the rank of associate professor and at least one of whom is a member of the Cabinet. They shall be elected for staggered two-year terms by the faculty as a whole. No more than one member of any particular department shall serve on the Faculty Grievance Committee at the same time. No one who has served on the Faculty Personnel Committee within the past year may serve on the Faculty Grievance Committee. A full description of this committee's function appears in the Pomona College Faculty Grievance Policy (Chapter IV).

Faculty Personnel Committee:
This advisory committee to the President gives counsel on recommendations which the President may make to the Cabinet on original appointments, reappointments, promotions, and tenure of faculty members. It provides the President with counsel on any other questions raised by the President, members of the committee, officers of the College, or by faculty actions. Its weekly meetings are confidential; no minutes are kept. Written ballots are taken on major personnel questions and the results are reported to the Cabinet.

The President is Chair of the committee, the Dean of the College is Vice Chair and Secretary, and the Dean of Students is a non-voting permanent member. Faculty membership is nine. The Associate Dean
of the College who serves as Diversity Officer and the Associate Dean for Academic Affairs are non-voting, staff members of the Committee. Three members from each division are chosen from among faculty members at the rank of associate professor or professor, at least one of whom is a full professor. All members are elected to two-year staggered terms. Committee members are nominated by the divisions and elected by the faculty as a whole at the March meeting of the faculty; for each office there must be at least two nominees, one of whom is not a department chair. No more than one member of any particular department shall serve on the Faculty Personnel Committee at the same time. The three members from each division form a subcommittee that investigates departmental recommendations on reappointment, promotion, and tenure, and reports to the Faculty Personnel Committee as a whole.

Elected members of the Faculty Personnel Committee who take leave for one semester while serving are replaced for the semester by the nominee receiving the second largest number of votes in the original election. Members who take leave for a full year must resign from the committee; their unexpired term must be filled by special election from a slate of at least two nominees from the division in question. A faculty member shall be excused from service on the Faculty Personnel Committee during a year of contract review, tenure decision, or consideration for promotion for that faculty member; the faculty member is replaced by the nominee receiving the second largest number of votes in the original election.

Faculty Position Advisory Committee:
This committee advises the Dean of the College and the President on requests for 1) permanent faculty positions, 2) coterminus administrative-faculty positions, 3) the transfer of an existing faculty member from one department or program to another, and 4) conversions of Pomona College programs into departments. Its members include six faculty members at the rank of associate professor or professor, two from each division; three non-voting students, one from each division, chosen by the ASPC; and the Dean of the College, who is a non-voting member. The faculty members are nominated by the divisions and elected by the faculty as a whole to three-year staggered terms. For each position on the FPAC, the appropriate division will choose at least two nominees. No more than one member of any particular department shall serve on the FPAC at the same time. The division of the student members is determined by their majors (interdisciplinary majors are judgment calls). The student members serve one-year terms. The committee chooses its own chair. A full description of this committee’s procedures and guidelines appears in Chapter IV.

Elected Faculty Position Advisory Committee members who take leave for one semester must be replaced for the semester by the nominee receiving the second largest number of votes in the original election. Members who take leave for a full year must resign from the committee; their unexpired terms must be filled by special election from a slate of at least two nominees from the division in question.

Harassment and Discrimination Grievance Committee:
The committee consists of four faculty members, four staff members, and four student members appointed by the President for staggered two-year terms with the possibility of reappointment.
