2023-24 Verification of Family Enrollment

Your financial aid application indicated that more than one student in your household is or will be enrolled in college/university. Only individuals included in your household (excluding parents) and who are or will be enrolled at least half time in a program leading to a degree/diploma/certificate during the 2023-24 academic year may be included in the number in college. These students must also receive at least 50% of their support from your parents to be included in the household.

Please have an official from the Financial Aid Office or the Registrar’s Office of your family member’s institution complete and return this form no later than October 14, 2023. The Pomona student’s financial aid will be impacted if their family member’s enrollment cannot be verified or if the family member is not enrolled at least half-time.
