### Your Graduation Portraits at Pomona College

Congratulations! Your hard work for the last four years has paid off! We do our best to capture you at this important milestone in your life.

There will be 20 minute portrait sessions offered outside on campus, or in our studio in the Claremont Village at **135 W. First St. Claremont**, just a few minutes walk from the Pomona campus and dormitories. You may schedule a morning or afternoon session depending on the day. Evenings will be available in the studio.

We suggest you choose your attire according to what feels most comfortable to you and you feel represents your style. Choosing simple colors in terms of your outfit is always best. Medium to dark colors are the most flattering, and it's usually best to avoid bold prints and patterns, as they can be distracting from the true subject, yourself! A cap and gown will be available as a choice.

Plan to wear your hair in a natural, more everyday style. Natural make-up is always best, as well as a clean-shaven or neatly trimmed look for facial hair.
